Epidemic of Empathy Book Landing Page

In An Epidemic of Empathy in Healthcare, he argues that we must have it both ways—that combining advanced science with empathic care is the only way to build the health systems our society needs and deserves. Organizing providers so that care is compassionate and coordinated is not only the right thing to do for patients, it also forms the core of strategy in healthcare's competitive new marketplace.

An Epidemic Of Empathy In Healthcare - By Thomas H Lee ...

In An Epidemic of Empathy in Healthcare, Dr. Thomas H. Lee outlines a strategy for encouraging health care providers to respond more compassionately to their patients' suffering. Lee, a practicing physician who has worked on healthcare performance improvement for more than three decades, is currently chief medical officer of Press Ganey, a healthcare analysis and consulting company.

An Epidemic of Empathy in Healthcare by Thomas H. Lee | An ...

An Epidemic of Empathy in Healthcare: How to Deliver Compassionate, Connected Patient Care that Creates a Competitive Advantage by Thomas H. Lee was kind of a mouthful of a book. It attracted me, predictably, because I am serious about empathy in healthcare. Ive seen many examples of healthcare where empathy is lacking, and it breaks me.
