His story, Baseball's Last Great Scout, reads like a backroom, bleacher-seat history of twentieth-century baseball—and a primer on what it takes to find a winner. It gives a gritty picture of learning the business on the road, from American Legion field to try-out camp to beer joint, and making the fine distinctions between “performance” and “tools of the trade” when checking out

Baseball's Last Great Scout would take exception to this perspective, as it stands as much as a celebration of the underappreciated art of scouting as of the life of Hugh Alexander. And after reading Austin's account, one gets the impression this is a good thing, for he presents a good case for the value of the insider's experience, knowledge, and craft that the baseball scout represents.

" Baseball's Last Great Scout was a great
pleasure for me to read. Hugh Alexander
was one of the most interesting and
unique men I ever met. As far as
baseball: his best quality was
enthusiasm for the game along with
confidence and desire to make his teams

The high school coach added Beane to the varsity baseball team for the last game of his freshman season. Beane batted .501 during his sophomore and junior years of high school. In his senior season, his batting average dropped to .300. Despite the decrease in batting average, scouts were enamored with Beane's talent.

Billy Beane - Wikipedia

One baseball writer who also worked as a scout for the Toronto Blue Jays offered up a blunt assessment when asked if Trump sounded like a prospect. "There's no chance," said Keith Law of The Athletic, adding: "You don't hit .138 for some podunk, cold-weather high school playing the worst competition you could possibly imagine."
