BIOS Instant Notes in Medicinal Chemistry | Taylor ...

Medical Microbiology (BIOS Instant Notes) by pharmacyStudent on Dec 08, 2016. Book Reviews: Medical microbiology is potentially an intimidating subject for new students. Not only does it appear to have a language all of its own, including plenty of obscure Latin terminology, but it covers a bewilderingly wide range of material, from the molecular biology of the infectious agents themselves (of which there is an alarmingly large—and ever-increasing—number) right through to the clinical ...
