Jacobs argues that conventional urban renewal has harmed city life. Many theories of "urban renewal" seemed to assume that living in the city was undesirable. Jacobs argues that these planners ignored the intuition and experience of those actually living in the cities, who were often the most vocal opponents of the "evisceration" of their neighborhoods.

Jane Jacobs: New Urbanist Who Transformed City Planning

The word autobiography literally means SELF (auto), LIFE (bio), WRITING (graph). Or, in other words, an autobiography is the story of someone's life written or otherwise told by that person. When writing your autobiography, find out what makes your family or your experience unique and build a narrative around that.

What Is an Autobiography? (And How to Write Yours)

Le Corbusier - Death, Buildings & Facts - Biography

The standardisation of apartment buildings was the essence of what Le Corbusier termed the Ville Radieuse or "radiant city", in a new book which published in 1935. The Radiant City was similar to his earlier Contemporary City and Plan Voisin, with the difference that residences would be assigned by family size, rather than by income and social position.

Le Corbusier - Wikipedia

In 1889, they designed the Auditorium Building in Chicago, a huge complex furnished with 4,200 seats, an office building with a 17 story high tower, a hotel and commercial outlets. In the 1890s, the famous duo were involved in the development of the Schiller Building, the Chicago Stock Exchange Building, the Guaranty or Prudential Building, New York, and the Carson Pirie Scott Department Store ...
