The 2nd edition removes the Android material due to the fact that it's all a bit of a fast-moving target (shifting sand, so to speak). There are no plans to amend the first edition to address your raised issues as - by the time we find the time to do so - the second edition will be out and the first edition will be retired.

Head First Python PDF Free Download | BooksPDF4Free

Book review: Head First Python by Paul Barry I just finished reading "Head First Python" and had great fun doing so. I Think that this is a great book for the beginning Python developer. But unlike a lot of other books that aim for beginners, good practices aren't ignored for the sake of simplicity.
