Remember an iPad is more than just a gadget. It's a productivity tool and it suppose to help you produce more or help you with your job.

Best and Easy to Follow iPad User Guide for Seniors

A simple iPad guide for the elderly. The number of times that I've recommended an iPad over a PC to people who are a little bit older has been climbing rapidly over the last month. If they check email, surf the web, and look at photos, there's not really anything better than an iPad—it does it well, it does it elegantly, and it does it for the fraction of the cost of a laptop or desktop.
