epitome of "be careful what you wish for", and I loved it for all of its wicked darkness. I think every single human being on earth should read this - single, dating, married, divorced, what have you - because we all spend our lives looking jealously over the fence into the neighbor's yard when we really should be enjoying what we already have.

**Jennifer Johnson Is
Sick of Being Single**
by Heather
McElhatton

"Jennifer Johnson is Sick of Being Married" is the sequel to "Jennifer Johnson is Sick of Being Single" by Heather McElhatton. It's chick lit all grown up -- about the joys (or lack thereof) of being married to the person who seemed to be one's heart's desire.

Jennifer's longed-for marriage gives her more than she had bargained for.

Jennifer's likeable wit and sass are lost for most of the book as she morphs into a submissive, Stepford-esque Midwestern housewife, complete with dyed blonde hair, ,000 spa treatments, and sorbet-colored, country club designer attire.
