Persuasion and Healing: a Comparative Study of Psychotherapy

Persuasion and Healing treats a topic that no doctor, whatever the specialty, can afford to ignore: psychotherapy. This is so because every physician begins a clinical encounter with a whole person embedded in a historical and current family and social network.

And in combating the "demoralizing meaning" that people attach to their experiences, the authors argue, many therapies are surprisingly similar to rhetoric (the art of persuasion) and to hermeneutics (the study of meanings). Highly acclaimed in previous editions, Persuasion and Healing has been completely revised and expanded.
