The Humongous Book of Algebra Problems | W. Michael Kelley ...

Definitely humongous and definitely filled with algebra problems, but still doesn't contain all of the types of problems you could see in algebra 1 or 2. Most notably lacking in word problems. I was hoping to find a book that included detailed graphs of quadratic functions and absolute value, so that I can point out the finer points when tutoring.

The Humongous Book of Algebra Problems by W. Michael Kelley

Soon math problems will be no problem at all... Most math and study guides are as dry and difficult as the professors that write them. In The Humongous Book of Basic Math and Pre-Algebra Problems, author W. Michael Kelley enjoys being the exception. It is full of solved problems, but along the margin Kelley makes notes, adding missing steps and simplifying concepts.

The Humongous Book Of Algebra Problems PDF
