It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

## **Life List - www.legacyproject.org**

A celebration of life is an event held to honor the life of a loved one, typically focused on positive aspects of their life. This event may be less formal and structured than a funeral or memorial service, and is often considered to be – as the name suggests – a joyful celebration rather than a ceremony dedicated to mourning.

The Life and Works of St. Irenaeus of Lyons collection provides an excellent introduction to the writings and significance of this influential early Christian theologian and apologist. The Writings of Irenaeus is an extensive collection of the bishop of Lyons' work, including his most famous work, Against Heresies—directed against the Gnostic heretics.
