BBC - Scotland's History - The Lords of the Isles

The Lords of the Isles were so powerful that they managed to maintain control of much of the highlands and islands as a separate kingdom right up until the year 1493. They built a tough but civilised and largely democratic society where people used sailing ships much as we use cars today.

The Lord of Isles alludes to a unique parcel of medieval history – with the title belonging to a particular branch of the Scottish nobility who claimed descentence from both Gaelic and Viking (Nordic) forebearers. Over the course of the proverbial Middle Ages, these Lords of the Isles commanded a strong fleet of birlinns (galleys) and were counted as autonomous vassals of the Kings of Norway, Ireland, and Scotland during specific periods of time.

In Lords of the Isles: the Clan Donald and the Early Kingdom of the Scots, Ronald Williams reflects, "Today it [Finlaggan] is a disappointing place - a loch set in featureless moorland, with a few pillars of crumbled masonry and outlines in the earth, which convey an atmosphere of dissolution, an abandoned place, empty of travellers, and a silent testimony to the transience of earthly kingdoms."

Finlaggan Eilean Mor - The Lords of the Isles

Lord of the Isles tells an interesting story -- the plot is sound and the sources of magic well-imagined. The only weakness in the book, but a remarkably distracting one, is the abruptness with which suspenseful scenes occur. Drake leaves the reader little time to feel the tension of rising action before the climax is suddenly there and past.

Lord of the Isles -- book review

The Kingdom of the Isles comprised the Hebrides, the islands of the Firth of Clyde and the Isle of Man from the 9th to the 13th centuries AD. The islands were known to the Norse as the Suðreyjar, or "Southern Isles" as distinct from the Norðreyjar or Northern Isles of Orkney and Shetland.

The Lords of the Isles by Ronald Williams

The lost medieval home of the Lords of the Isles has been reconstructed virtually by experts at the University of St Andrews. During the Middle Ages the Lords of the Isles ruled the Hebrides and parts of mainland Scotland and Ulster. Traditionally the Lordship was held by the MacDonald family from their base at Finlaggan on the island of Islay.
