The Mariners Book Of Days

The Mariner's Book of Days is a daily, weekly, monthly, annual reminder of the things we love most about the wsea: the pleasures of choosing, building and maintaining our own boats; the intricacies of seamanship and navigation; the development of nautical knowledge; the traditions of the sea; the evolution of a way of life. It is organized in a generally topical manner yet has a labyrinthine quality, not unlike the way we think about the sea when we are so unfortunate as to be away from it.
