Though both are copyrighted this year, Fr. John J. Piderit's Sexual Morality: A Natural Law Approach to Intimate Relationships actually appeared late in 2011, from Oxford University Press. J.

The Natural Law and Sex | Catholic Culture

The new natural law approach to sexual morality begins with an account of marriage as a basic human good, i.e., an activity or end that is choiceworthy precisely as a constitutive aspect of human well-being and fulfillment. As John Finnis writes in " Marriage: A Basic and Exigent Good,"

Sexual Ethics, Human Nature, and New Natural Law Theory ...

WHAT IS THE MEANING OF THE SEXUAL ACT? We can know the meaning of the sexual act by way of the Natural Law. If you remember, the Natural Law is composed of our human natural inclinations and our ability to reason. We are to reason as to the meaning of our natural desires, so as to use them properly to ensure our human flourishing.

On the Natural Law and Sex - prolife365.com

And part of the idea in the traditional natural law understanding of the sexual act is that ejaculating into a Kleenex, or a condom, or into any bodily orifice other than a vagina, doesn't just involve using an organ other than for its natural purpose (which is not necessarily "unnatural") but that it uses it in a manner contrary to its natural purpose.

Natural Law and Sexual Ethics - Mere Orthodoxy ...

Natural law theorists defend a range of policies in this regard, from anti- sodomy laws, to allowing persons to discriminate against gays and lesbians in employment and housing, to a fierce opposition to same-sex unions or, in their watered-down version, civil

Natural Law and the Regulation of Sexuality: A Critique

Premarital sexual activity. Premarital sexual activity, especially when it is engaged in with blind ignorance or rebellious rejection of the known moral law (by contrast with failures through weakness), most often amounts to a profound solipsistic choice resulting in the reduction of the human person to quasi-animality.

Human Sexuality and the Natural Law

The natural-law argument against such acts is essentially the same as against any other kind of non-marital sex—from masturbation to fornication to adultery to bestiality.

Marriage, Natural Law, and the Truth of Sexual Ethics ...

The Goods of Sexual Union The goods of marriage that natural law most clearly directs us to affirm and not deny are community and life. Marriage is not just a contract; it is a covenant. A contract can be broken.

Sex, Natural Law, and Confusion in High Places

Under the Natural Law Theory two people of the same sex interacting to produce orgasms will be morally good or bad depending on whether or not such actions are in accordance with natural laws or not. Atheistic Natural Law Theory:

Natural Law Theory

"Old natural law theory" begins with the natural end of our sexual faculties and derives ethical principles from there. But this approach has to rely implicitly on prior value judgments in order to distinguish between biological facts that are axiologically or morally relevant and those that are not. The second in a two-part series.

Old Natural Law Theory, Marriage, and Sexual Ethics ...

Natural law (Latin: ius naturale, lex naturalis) is law as seen as being independent of, and pre-existent to, the positive law of any given political order, society or nation-state. Such genesis is seen as determined by nature (whether that reflects creation, evolution, or random chance), and a notional law of nature treated as objective fact that is universally applicable; that is, it exists ...

Natural law - Wikipedia

Natural sexual acts, to provide merely a broad definition, are those acts that either flow naturally from human sexual nature, or at least do not frustrate or counteract sexual tendencies that flow naturally from human sexual desire.

J. Budziszewski Professor of Government & Philosophy, University of Texas at Austin March 20, 2015.

The Natural Laws of Sex - J. Budziszewski

How do we handle the 'natural laws of sexual attraction v safety and respect? In what is a sexualised world, it's not uncommon for men in groups or individually to comment, view images, or make gestures about and to "hot" women. Then express concern and worry about the safety of their partners, sisters and daughters

Sexual connections in sexualised world, the natural laws ...

Within Catholic moral teaching, natural law arguments are commonly invoked to denounce "unnatural" and therefore immoral acts: contraception, same-sex sexual relations, and many assisted reproductive technologies, for example. But where does natural law reasoning come from and just how does it connect nature to morality?

What is natural law? | U.S. Catholic magazine

Christian denominations generally hold that sexual morality is defined by natural law, the Bible, and tradition. In many cases, the Bible contains direct commandments or statements about specific sexual acts. Marriage and procreation are key factors in Christian sexual ethics, particularly in the teachings of the Catholic Church.
