Virtual labs are safer for students to practice in than a real lab if the students are unfamiliar with the safety protocol. Virtual labs are similar to flight simulators that prepare future pilots for flying. In a lab simulator, the students can learn and test their skills, before entering a real lab.

Few months ago I passed E10-001 Information Storage and Management Exam Version 2. It's time to move forward. My next target is E20-547 which is VNX Solutions Specialist Exam for Storage Administrators.. I have already signed up for the exam which will take place 25th of July 2014 (update: passed! ☺). That gives me about two months to prepare.
