"Prime your environment to make future actions easier." Chapter 13: How to Stop Procrastinating by Using the Two-Minute Rule. Every day, there are a handful of moments that deliver an outsized impact. James refers to these little choices as "decisive moments." "Decisive moments set the options available to your future self."

Book Summary: Atomic Habits by James Clear | Sam Thomas Davies

Conversely, do the opposite for bad habits. Make them invisible, unattractive, difficult, and unsatisfying. For example, you could hide your cigarettes, add financial penalties, get rid of all lighters, and only allow yourself to smoke outside in the cold. Lesson 3: A habit tracker is a fun and easy way to ensure you stick to your new behaviors.

Atomic Habits by James Clear: Book Summary & Review

Invisible hand, metaphor, introduced by the 18th-century Scottish philosopher and economist Adam Smith, that characterizes the mechanisms through which beneficial social and economic outcomes may arise from the accumulated self-interested actions of individuals, none of whom intends to bring about such outcomes. The notion of the invisible hand has been employed in economics and other social ...

Invisible hand | economics | Britannica

If you are trying to make your network invisible, you are likely worried about people accessing your network. Hiding your network's SSID will not really help that much. Hackers can still intercept the radio waves constantly being sent out from your router and access your network. Make these changes in the same part of the control panel in which ...

How to Make Your Wireless Network Invisible: 7 Steps

Self-interest refers to actions that elicit personal benefit. Economist Adam Smith was primarily the first person to study self-interest in economics, leading to his Invisible Hand Theory.

Self-Interest Definition

The Invisible Hand is a metaphor describing the unintended greater social benefits and public good brought about by individuals acting in their own self interests. The eighteenth-century economist Adam Smith is widely credited with popularizing the concept in his book The Wealth of Nations.
