That you're fine without her, that you don't need her in your life as much as she needs you. When you make her feel that spending time with her is an obligation and not something that will make your day better. You lose her when you make her feel that being with her is like being with any other girl. You lose her when you don't let her in.

And maybe we don't need to change something if we don't think it's wrong. Maybe we don't need to change it if it's serving us well. Maybe we don't need to be part of the majority to feel like we belong. Maybe all we really need is to be better versions of ourselves and the right people will find us and love us for all the right reasons.
