A World Lit Only by Fire: The Medieval Mind and the ...

A World Lit Only by Fire claims to give a portrait of an age. If so, it is the darkest, most impressionistic portrait I have ever seen. Though in some ways, Manchester does get the general form and outline correct, he then fills his canvas with the harshest colors in the cruelest medium, dabbing a bit of this here and that there when he doesn't ...

A World Lit Only by Fire is an informal history of the European Middle Ages by American historian William Manchester. Published in 1992, the book is divided into three sections: "The Medieval Mind", "The Shattering", and "One Man Alone". In the book, Manchester scathingly posits, as the title suggests, that the Middle Ages were ten centuries of technological stagnation, short-sightedness, bloodshed, feudalism, and an oppressive Church wedged between the golden ages of the Roman Empire and the Re
