It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

The Struggle to Abolish Slavery in the British Colonies provides a study of the transatlantic slave trade and the abolition movement in Britain during the eighteenth and early nineteenth centuries.

A review of the book 'Abolition! The Struggle to Abolish ...

Abolition is inherently intersectional. To unravel the punishment system is to lay bare the interconnection of people's struggles against extraction, dispossession, and enclosure organized through racial and gendered hierarchies. The relationship between abolition (as the goal) and reform (as a means to an end) remains a live debate.
