Last spring, educators who use Accelerated Reader had two key questions for us, as they worked to quickly transition from in-person to remote instruction. (1) Does Accelerated Reader support at-home quizzing? (2) If so, can you provide us with guidance around this? The answer to both questions is: absolutely.

Quizzing at home in Accelerated Reader | Renaissance

Learning philosophy and then logic and then computer programming taught me math. Or at least taught me how to understand math in a way I'd never been able to in all my many years of education. It makes me wonder how many kids are missing out because we're focused on teaching math one specific way even though it's quite clear the way we're teaching it just doesn't "click" for a ...

Playing the piano taught me math (2016) | Hacker News

Math, however, can be intimidating to students, particularly as they advance from basic addition and subtraction to fractions and even to algebra and geometry. To help math teachers cope with these issues, this list looks at the top 10 concerns for math teachers, along with some possible answers.

Top 10 Concerns of Math Teachers - ThoughtCo
