### After The Fact The Art

"After the Fact" is a text on the various methods a historian has at his disposal to help interpret the events of the past. The authors are both historians and History professors specializing in American history, and they draw from the history of the United States to provide illustrations of the concepts they seek to describe.

### After the Fact: The Art of Historical Detection Summary ...

For more than twenty-five years, After the Fact has guided students through American history and the methods used to study it. In dramatic episodes that move chronologically through American history, this best-selling book examines a broad variety of topics including oral evidence, photographs, ecological data, films and television programs, church and town records, census data, and novels.

### Amazon.com: After the Fact: The Art of Historical ...

When one considers that virtually all of our knowledge and perceptions, including scientific, are based on the stories we hear and believe, the art of history gains respect. The authors of After the Fact offer fifteen chapters on various historical topics, not so much for the purpose of writing history as of thinking about history.
