Vedic astrology is the tradition of astrology that emerges out of India and, in the east, it is known by the Sanskrit word Jyotiṣa. Jyoti means light, and Jyotiṣa is the sacred art and science of the lights in the sky, as well as the light of awareness within. There is much to unpack with your Vedic astrology chart, or what is also known as Indian, Hindu, or Tantric astrology.

Vedic astrology, also known as Hindu or Indian astrology, is similar to Western with a few important differences. While both systems use zodiac signs, planets and houses, in Vedic the rising sign replaces the sun sign. The rising sign reveals what planet was ascending on the Eastern horizon at the moment of birth.
