After Warwick's death at the Battle of Barnet, in 1471, the title was granted in 1472 to George, Duke of Clarence, who was married to Warwick's eldest daughter. When the Duke of Clarence was executed in 1478 for treason (supposedly by being drowned in a vat of Malmsey wine), the title was forfeit.

Earl of Salisbury - Wikipedia

The succession to Stephen was altered by the death of his son Eustace, whom he wished to have crowned king during his own lifetime (in imitation of the Capetian monarchy). Though Stephen still had a son, William, the boy was still young and unprepared to challenge Matilda's son, Henry of Anjou for the throne. Under the terms of the Treaty of Wallingford that ended the Anarchy, Stephen agreed to ...
