Summary: In 2163, a polluted and overcrowded Earth forces humans to search for a new home. But the exoplanet they target, Exilon 5, is occupied. Having already begun a massive relocation programme, Bill Taggart is sent to monitor the Indigenes, the race that lives there. He is a man on the edge.

Becoming human (Book, 2015) [WorldCat.org]

Becoming Human (the 1st book in the Exilon 5 Trilogy) is written by Eliza Green. Admittedly I was surprised that this was written by a woman, from the first 1/3 of the book, I had the feeling that it was written by a man. Considering that the story is told predominantly through the eyes of men, I must commend Eliza on capturing the essence of man
