Benq Projector User Guide
From BenQ — Enjoy an immersive gaming experience with a larger-than-life screen to fill your vision with BenQ TH671ST, the home entertainment projector designed for video games. With high resolution, high brightness, low input lag, LumiExpert, powerful 5W stereo speaker, and easy setup, TH671ST expands your gaming world to make you feel like you're really in the game.

BenQ TH671ST DLP Projector Specs
The BenQ has a slightly longer requirement for projection distance than the GT1080, but both being short throw in nature, this isn't a huge problem. You can look up the specific values for yourself if you want more detail. The BenQ is also slightly more forgiving than the Optoma when it comes to placement due to its 1.2X zoom capability.
