Better Than Bullet Points: Creating Engaging e-Learning ...

It might make sense to ditch bullet points in favor of tables if you are making a comparison of different topics, noting the change in different variables over time, highlighting the before and after of an experiment, or maybe even condensing a list of seven alternatives to bullet points into one simple table instead of writing a whole article about it!

PowerPoint Design Tips |7 Alternatives to Bullet Points

Bullet lists make a sequence of important points easy to read. When those near-perfect little circles are vertically aligned, readers can quickly process the text. Yet too many bullet lists in an eLearning course or slide presentation can be repetitious and mind-numbing. Learners and audiences need novelty to maintain and sustain attention.

6 Alternatives To Bullet Lists - The eLearning Coach

Jane Bozarth: Better than Bullet Points - Cammy Bean's ...

Bullet points highlight key elements of very specific topics, so stay on a single track. Make your bullet points symmetrical . . . just like the ones here. Notice how each point begins with a bolded directive and ends with a one-sentence explanation. Work in keywords. Search engines tend to give bulleted lists a little more weight. Don't ...

7 Tips for Writing Powerful Bullet Points | Grammarly

However, numbers can suggest a ranking, so item number one may be considered 'better' or more important than item three. If you want to avoid this bias, opt for symbols. For any kind of formal writing, use plain round or square bullet points rather than anything more complex. Image courtesy of Stuart Miles / FreeDigitalPhotos.net

Better Than Bullet Points: Creating Engaging e-Learning ...

An easy correction that you can make is to look at your bullet points and make sure that what you have written is a complete though or a complete sentence versus just a couple of words. When we just put a couple of words down, it might be a good cheat-note or refresher for us, but the words are not likely to explain to the audience what you are going to cover.
