Black Flags The Rise Of Isis From the 1st page this book grips like a superbly written thriller by the likes of Tom Clancy but it's all history and very real in our time, one of the most cinematic books I've read every page is well written and descriptive, a book of the moment and for time to come.

### **Buy Black Flags: The Rise of ISIS Book Online at Low ...**

Black Flags is an invaluable guide to an unfolding tragedy that must be understood before it can be ended." -- Lawrence Wright, author of Thirteen Days in September and The Looming Tower "Joby Warrick is one of America's leading national security reporters, so it's no surprise that Black Flags is the most deeply reported and well-written account we have about ISIS and its terrorist army."
