By the end of the line in 1982, no manual transmission was even offered. Is it worth the effort to swap to a four-speed? You could always swap in a more modern transmission, but that would destroy the look and feel of the car. The C3 Corvette is all about the experience and the mood. What if we told you there was another

moves the transmission mount back to the same place as a 400. I did this swap and it was a direct bolt in. You will love the 3.06 1st gear and the .7 overdrive. Be careful with the TV cable adjustment. If it is off you can burn the transmission out very quickly. You should feel a definite 1 2 shift.
