Social democracy is a political, social and economic philosophy within socialism that supports political and economic democracy. As a policy regime, it is described by academics as advocating economic and social interventions to promote social justice within the framework of a liberal democratic polity and a capitalist-oriented mixed economy.The protocols and norms used to accomplish this ...

Social democracy - Wikipedia

Democratic capitalism, also referred to as market democracy, is a political and economic system that combines capitalism and a strong welfare state curbing the excesses of individual freedom. It integrates resource allocation by marginal productivity, with policies of resource allocation by social entitlement. The policies which characterise the system are enacted by democratic governments. Democratic capitalism was implemented widely in the 20th century, particularly in Europe and the Western w

Democratic capitalism - Wikipedia

Social democracy, political ideology that originally advocated a peaceful evolutionary transition of society from capitalism to socialism using established political processes. In the second half of the 20th century, there emerged a more moderate version of the doctrine, which generally espoused state regulation, rather than state ownership, of the means of production and extensive social welfare programs.

Social democracy | Britannica

This brings me to my last point, which is why we have compelling moral reasons to move past capitalism towards social democracy. Many people argue that we shouldn't care about inequality as long as overall wealth increases, but I think that is deeply wrong. Firstly, the fact that tremendous wealth exists in the world that could be used to end ...
