Church, State, and Society is the best introduction to Catholic social doctrine I have encountered, and it is well worth the investment." --Nova et Vetera "Against the backdrop of cacophonous disputes about the meaning and application of Catholic Social Doctrine, Brian Benestad has presented a magisterial work of considerable extent and admirable clarity. . .

### Church, State, and Society: An Introduction to Catholic ...

Church and society. The development of Christianity's influence on the character of society since the Reformation has been twofold. In the realm of state churches and territorial churches, Christianity contributed to the preservation of the status quo of society. In England the Anglican church remained an ally of the throne, as did the Protestant churches of the German states.

### Christianity - Church and society | Britannica

Church and state, the concept, largely Christian, that the religious and political powers in society are clearly distinct, though both claim the people's loyalty. A brief treatment of church and state follows. For full treatment, see Christianity: Church and state. Before the advent of
