Consolidated Furnace Manual - antigo.proepi.org.br

LAFAYETTE, IN — After 56 years of operation as a furnace maker here, Consolidated Industries Corp. is going out of business. Operating more than 20 months under the protection of Chapter 11 bankruptcy, the company is closing down because of continuing financial problems stemming from lawsuits due to a product malfunction.

Furnace manufacturer is closing its doors

Download Ebook Consolidated Furnace Manual

CPSC issued a safety alert warning about these furnaces in September 2000. Consolidated Industries (formerly Premier Furnace Co.), which was liquidated under Chapter 7 bankruptcy laws, manufactured approximately 140,000 of these furnaces for sale in California between 1983 and 1994 under many different brand names.

Recalled Furnaces Still Starting Fires - ASI Hastings

The vent pipe I think they are referring to is if the furnace is side wall vented similar to a 90% unit. The pipe is black in color and has yellow /clear elbows. If this is the venting system you have definitely have the vent system checked.
