Direction: Consuming Youth: Leading Teens Through Consumer ...

Consuming Youth: Leading Teens Through Consumer Culture is an examination of how the Western consumer culture has affected youth and the coming of age process. From the first chapter, it's clear that the authors have put a lot of time and research into crafting the text.

Consuming Youth: Leading Teens Through Consumer Culture ...

In "Consuming Youth," Berard et. al. bring their wealth of years working with teens to bear on a problem that is often simply accepted as part of youth culture. The authors use both the strength of their successes with Ministry Quest and the failures that they and others have experienced in youth ministry to formulate an applicable method to bring awareness to the problem of consumerism and to lead teens away from it.
