### Dictionary Of Person Centred Psychology

a set of individuals who meet from time to time in effort to cultivate plans for reinforcements and services to improve the lifestyle and self-determination of an individual with mental retardation or a corresponding condition. The team utilizes techniques based upon standards of person-centered planning. Team participants are mental retardation or their advocate, instead of by a service establishment or agency, and they do not to be experienced professionals in human services.

### PERSON-CENTERED TEAM - Psychology Dictionary

A person enters person centered therapy in a state of incongruence. It is the role of the therapists to reverse this situation. It is the role of the therapists to reverse this situation. Rogers (1959) called his therapeutic approach client-centered or person-centered therapy because of the focus on the person's subjective view of the world.

### Dictionary Of Person Centred Psychology

Person-Centered Therapy. Created by Carl Rogers, this form of humanistic therapy deals with the ways in which people perceive themselves consciously rather than having a therapist try to interpret unconscious thoughts or ideas. There are many different components and tools used in person-centered therapy including active listening, genuineness, paraphrasing, and more.
