The site itself is available in English, German, French, Italian, and Portuguese, and the catalog includes books in all languages.

There's a heavy bias towards English-language works and translations, but the same is true of all the ebook download sites we've looked at here.

(Russian: луковичная глава, lúkovichnaya glavá; compare Russian: лук, luk, "onion") is a dome whose shape resembles an onion and is usually associated with Russian architectural style. Such domes are often larger in diameter than the tholobate upon which they sit, and their height usually exceeds their width. These
