The Essential Plotinus by Plotinus - Goodreads

"The Essential Plotinus is a lifesaver. For many years my students in Greek and Roman Religion have depended on it to understand the transition from antiquity to the Middle Ages. The translation is crisp and clear, and the excerpts are just right for an introduction to Plotinus's many-layered view of the world and humankind's place in it." --F. E. Romer, University of Arizona

The Essential Plotinus book by Plotinus - ThriftBooks

The Essential Plotinus by Plotinus. My rating: 4 of 5 stars I picked up this book after reading Glenn's fine review, and I'm glad I did. This is an excellent volume; and although I haven't read the complete Enneads, so I can't say for sure, I suspect that the editor and translator, Elmer O'Brien, did an expert job in selecting the very best sections from that long tome.
