### **Exit Music The Radiohead Story**

Mac Randall's "Exit Music: The Radiohead Story" is a solid, informative cache of background info on this band, without being either vindictive or fawning. It charts the group's origins, the guys behind the music, and their rise from an unusually sedate gathering of British guys to a world-famous band with immensely popular music and legions of devoted fans.

Radiohead may be one of the world's most famous bands, but the five members give away little about themselves. Outsiders with attitudes, they are still more likely to tidy their hotel room than trash it, and few journalists have been able to get close to Thom Yorke, Ed O'Brien, Colin Greenwood, Phil Selway and Jonny Greenwood... until now.

Failure to recognize "Exit Music (for a film)" by Radiohead as a  
AMAZON.MusicRecording I've got an  
intent which listens for two slots "Open

artists, this works fine (although I did  
have to implement an aliasing scheme  
for homophones and other oddities).
