Feminist Perspectives On Transitional Justice

This book offers some insights into women's perspectives and feminist views on the topic of transitional justice or 'justice in transition.' Bringing feminism into the conversation allows for an expansion of the possibilities for a transformative justice approach after a period of conflict or insecurity, not by replacing it with feminist theory, but by broadening the scope and vision of the potential responses.

Feminist Perspectives on Transitional Justice - Martha ...

Feminists continue to engage at a policy level with the exclusions of transitional justice and seek to 'add gender' to its processes. For example, the two studies on gender and TCs cited above continue to push for improvements in making TCs more accessible to the input and justice demands of women.

Feminist Perspectives on Transitional Justice

The feminist perspective of gender stratification more recently takes into account intersectionality, a feminist sociological theory first highlighted by feminist-sociologist Kimberlé Crenshaw. Intersectionality suggests that various biological, social and cultural categories, including gender, race, class and ethnicity, interact and ...

This essay provides a short examination of feminist perspectives on transitional justice, illustrating both interventions seeking to reform its practice and a growing feminist unease with the...

Does Feminism Need a Theory of Transitional Justice? An ...

While most feminist theorists throughout history have been women, people of all genders can be found working in the discipline today. By shifting the focus of social theory away from the perspectives and experiences of men, feminist theorists have created social theories that are more inclusive and creative than those that assume the social actor to always be a man.

Feminist Theory: Definition and Discussion

Feminist perspectives in transitional justice discourse have tended to challenge the idea that a court is the forum best suited to advancing justice goals. Truth commissions tend to adopt judicial techniques, devoted to a case-by-case determination of who is a victim and who is a perpetrator.

Feminist perspectives on transitional justice : from ...

In Chapter 3, "Feminist Perspectives on Extraordinary Justice", David C Gray and Benjamin A Levin take the Kyrgyzstan ethnic conflict as the starting point to reflect on how to develop transitional justice mechanisms, arguing that gender is the first element to take into account in abuse, while other aspects (ethnic, political or religious) are secondary.

Martha Albertson and Estelle Zinsstag, ed, Feminist ...

"Feminism and Social Justice" is an adaptation of Distinguished Professor Bettina Aptheker's long-running course at UC Santa Cruz. In the course, Professor Aptheker presents a broad definition of feminism that serves to frame three significant events in the history of feminism and social justice: the Empire Zinc strike of 1951, the 1971-1972 trial of Angela Davis, and the #metoo Movement.

Feminism and Social Justice | Coursera

Feminist theory, African gender history and transitional justice pragmatic role for feminism. They see it as a kind of praxis, which helps those involved in transitional justice work for the betterment of women's lives in the complicated transitions to something that looks like peace (Bell and O'Rourke 2007:23-34).
