The Gulf War Did Not Take Place, Jean Baudrillard. In a provocative analysis written during the unfolding drama of 1992, Baudrillard draws on his concepts of simulation and the hyperreal to argue that the Gulf War did not take place but was a carefully scripted media event—a "virtual" war. Patton's introduction argues that Baudrillard, more than any other critic of the Gulf War, correctly identified the stakes involved in the gestation of the New World Order.
