Honda Accord Engine Splash Shield Hardware - Best Engine ...

A splash shield is a thin piece of plastic that is pre-installed on some vehicles. On a Honda Accord, the splash shield keeps pebbles and other road debris from damaging the timing belt or getting stuck in between the engine's moving parts. This protection is important when driving on the countryside where small rocks litter the road.

HONDA ACCORD ...

Can the push pins that hold the lower splash shield, that large plastic panel that covers the underside of the car (engine, transmission) be purchased at parts chains vs the Honda dealerships? I recommend you find the part number for them (from an online dealership like BernardiParts), then check eBay for that part numbers.
