How Things Work. Isn't it funny how life works sometimes? I think a lot of times we take for granted how life works. We don't really question a whole lot as to why we live the way that we do as a society, as people. A lot of us just live in our little bubble and play out our role in life's version of the Sims, trying to get our dream ...

Charles Dickens' Oliver Twist painted a bleak picture of life in the workhouse. Here in this rural workhouse at Southwell, we show that - although harsh and monotonous - conditions for poor people may have been better than life on the outside. Local poor people, paupers, who had nowhere else to turn ...

Hybrid life jackets are a mix of natural buoyancy and manual inflation. Inherently buoyant, inflatable and hybrid life jackets all work the same way, though. No matter how the trapped air gets in there, it weighs much less than the weight of the displaced water, and holds the person in the life jacket afloat.
