Dans les versions antérieures d'Adobe Bridge (CS2 et CS3), la fonction Créer une planche contact InDesign sert à créer une planche contact pour des pages InDesign. Cette fonction ne figure pas dans les versions ultérieures d'Adobe Bridge.

Placement, importation et insertion des images dans InDesign

Search tips: Make the search as basic as possible. Avoid using letters before the version number. Do not add the word serial at the end of the query. Good example: iobit driver booster 5 (will list all sub-versions as-well) General tip: If the most recent version is not present in the database, try the closest older serial number. In some cases it will work.
