Distilling the world's data, information & knowledge into beautiful infographics & visualizations

Information is Beautiful

David McCandless is a graphic designer who compiled (I can't quite say "wrote" - it's really more "designed") this book as a means of exploring - and demonstrating - how to make information "approachable and beautiful" by presenting it visually. I'm not sure how *useful* the book is -- but it is beautiful. flag 2 likes · Like · see review

Information is Beautiful by David McCandless

McCandless is good at sourcing the data. One slight concern though is that there is a fair bit that is sourced from Wikipedia - which is seldom the most reliable of sources on anything. With that caveat, this book is a modern design classic. It's beautiful, interesting, clever and thoughtful.
