**It's the political economy, stupid! - Marc Saxer**

The concept of international political economy has come to encompass a larger range of concerns,

# File Type PDF International Political Economy including the intersection of politics and economics, as goods, services, money, people, and ideas move across borders. The term,

“international political economy” (IPE) began to appear in the scholarly literature in the mid-1960s as problems of the world economy and lagging development in the third world gained scholarly attention.
