Inventing The Individual Origins Of

Inventing the Individual tells how a new, equal social role, the individual, arose and gradually displaced the claims of family, tribe, and caste as the basis of social organization. Asking us to rethink the evolution of ideas on which Western societies and government are built, Siedentop contends that the core of what is now the West's system of beliefs emerged earlier than we commonly think.

Inventing the Individual — Larry Siedentop | Harvard ...

Inventing the Individual, by Larry Siedentop, Belknap Press, 2014. I lived in Morocco a few decades ago and needed some furniture for our apartment. A college student I had befriended, Hamid, offered to take my cash and negotiate with the dealer for me while I drank coffee in a nearby qahwa because, as he said, the price of the furniture would triple if the merchant glimpsed an American within ...

How the West Invented Individualism | Mises Institute

In his new book Inventing the Individual: The Origins of Western Liberalism, Siedentop tries his own hand at telling how modern freedom came about. Channeling the project of the French tradition, he leans heavily on the almost-forgotten Guizot, the political theorist and government minister whose History of Civilization in Europe (1828) Siedentop in effect revives and updates.
