Impact - NAVI

Impact acts as your managed service provider (MSP), pulling all of our resources together to create a custom package of solutions for each client that adds more value than the individual solutions ever could on their own. Learn more about our unique approach. Find Your Way with Impact.

## **Impact Networking - Outsourced IT Solutions & Managed Services**

For information on South Africa's response to COVID-19 please visit the COVID-19 Corona Virus South African Resource Portal.
