Lennon Ray Coleman
Ray Coleman's biography is terrific due to its depth. It gets long and tedious at times, but many of the details are essential to understand such a complex man as John Lennon. Coleman being a personal friend of John also gives the reader great insight, rather than reading a book by someone who has never been acquainted with him.

Lennon 20th Anniversary Edition : The Definitive Biography ...
Lennon by Ray Coleman was the most gripping book I have ever read. The story of his life is full of grief, sadness, anger, happiness and death. Ray Coleman demonstrates what John Lennon's life was like besides the fame and glory. I recommend this book to anyone that is a Beatles or a Lennon fan or anyone who is generally interested in this topic.

In Ray Coleman's Lennon: The Definitive Biography, there appears the following quote from The Beatles' record producer George Martin: "I think it is iniquitous that people can libel the dead. If John was alive, that book would not have come out. It is largely untrue, but, sadly, if mud is thrown it tends to stick."
