College of Dental Medicine

Side effects can happen with almost any medicine, says Jim Owen, doctor of pharmacy and vice president of practice and science affairs at the American Pharmacists Association.

How to Deal With Side Effects of Medicine - WebMD

The best medicine for a sore throat has ingredients in it to help soothe and sometimes slightly numb that itchy, tender feeling. Now, sore throat medicine won't actually help you get better faster. But it can help you feel more comfortable until the viral infection, bacterial infection, or allergy irritant passes.
