file to your computer. If the book opens in your web browser instead of saves to your computer, right-click the download link instead, and choose to save the file.

## **Mutual Funds Guide For Beginners**

A common question for beginners is whether new investors should own bonds or invest in a bond fund, which is a special type of mutual fund that owns bonds and other fixed-income investments. Which type to invest in is largely dependant on how much you have to invest, your risk tolerance, the expenses you are willing to tolerate, and the load(s) you are willing to accept.
