retailers around the globe and I received the same feedback – the interest and pre-order numbers for the new Nikon Z9 have already surpassed the D700, D800, and D850 pre-orders madness from a few years ago.. This is all great, but in 2021 we still have to deal with parts shortages, shipping difficulties, and COVID on top of everything.

An incredible number of Nikon Z9 pre-orders received ...

Just a year after the arrival of Nikon's full-frame D600 in the fall of 2012, its replacement arrived in 2013. The D610 is the exact same as the D600 but with a new shutter mechanism that boosts continuous shooting and adds a 'Quiet Continuous' mode. The only other upgrade is an improved auto white balance system.
