The Service Engine Soon Light is NOT a service reset light. It means that there is a trouble code in your emissions system. You need to retrieve the code and then trace down the cause. The service light will only say "Service" or "Maintenance".

Sevice engine light soon - 2004 Nissan Xterra

Another possible culprit triggering the "service engine soon" light is misfiring spark plugs. Spark plugs on older vehicles (before 1996) needed to be changed every 40,000 to 50,000 kilometers; on more modern vehicles spark plugs can go to 150,000 km before needing to be changed. Faulty spark plugs can cause your engine to misfire.
