No Logo: Taking Aim at the Brand Bullies - Naomi Klein ...

Incisive and trenchant, No Logo investigates multinational corporations' exploitative labor practices and sinister marketing techniques. Sketching the history of the public sphere's fall during the eighties and nineties, Klein considers how corporations managed to eviscerate organized labor, outsource production, and terrorize nations across the Global South, all while encouraging citizens of developed countries to think of themselves only as consumers and corporate brands as lifestyles.
